Boutelle May Retire.

New York, May 2.—Word has been
received by personal friends of Charles
A. Boutelle, Representative from the
Fourth Maine district, that he is
falling so rapidly in health that unless
there is a quick change for the better
it will be cruel to permit him to be a
candidate for reelection next fall. His
physicians assert that he is in grave
danger of death.

Mr. Boutelle has been very ill for
many months and experts on neurology
have told him family he can never
again be himself. Despite his condi-
tion, he was renominated by accla-
mation. The belief is now strong here
that his name will be withdrawn.
